

HOME, HARMONY & Well-Being

From the Desk of Felicia Bhe

Happy MOTHER'S Day

Hello neighbors!

Happy Mother's Day

to all mothers and grandmothers. May is a beautiful time of year—gardens are blooming, days are longer, and there's a sense of renewal all around. As we celebrate Mother's Day, it's a wonderful moment to focus on harmony at home and balance in life.

Real Estate Tip of the Month

A well-cared-for home supports both comfort and value. May is the perfect time to clean out clutter and start a vegetable or flower garden. Simple updates can make a home feel more welcoming and enjoyable for everyday living.

May also starts the home buying and selling season. Please call for a complimentary comparative market analysis or home buying consultation.

Estate Planning Corner

Peace of mind often comes from knowing your plans are clear. Reviewing your estate documents

to ensure they reflect your current wishes can bring reassurance to you and your family. Our firm provides a free review every three years for our clients. Please schedule a complimentary consultation.

Neighborhood Notes

This is a great season to enjoy outdoor activities, gardening, and neighborhood gatherings. The SONA Neighborhood Swap & Stroll is on May 2. Treat your Mom and Grandma to a nice lunch or dinner, and let her know how much you love her. This month, I would love to take two mothers to lunch. Please send me your name (or your mother's name) and contact information by May 15.

Wishing you balance and peace at home,

Felicia Bhe
